**This  
competition  
is recognized  
by USDF  
for 2024**

**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

**Exceptions:**

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

**Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

**How to Join USDF**

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

## 2024 Great American Insurance Group/USDF Regional Dressage Championships

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and recognized by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. ## *USDF Statement on Animal Welfare*

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

## General Agreement & Release of Liability

Rider: \_\_\_\_\_, hereby acknowledge that I have requested permission to participate in equestrian or other activities on the premises (the "Premises") of **The Horse Park at Woodside** ("HPW"). I am aware that equestrian activities, including the teaching, training or coaching thereof can be hazardous and includes risks and dangers including, without limitation, the potential for serious bodily injury, sickness and disease (including communicable diseases), trauma, pain and suffering, disability, paralysis and death, loss of or damage to personal property, exposure to extreme conditions and circumstances, accidents, collisions; and other undefined, not readily foreseeable and presently unknown risks and dangers. I am voluntarily assuming the risk and danger of injury or death inherent in the participation in equestrian or other activities on the Premises.

Furthermore, I hereby grant permission to HPW and its authorized agents ("Agents") while on the Premises (i) to photograph, film and/or videotape me and (ii) to use, publish and/or archive photographic images and/or voice recordings of me (collectively, the "Images") in any and all forms and media without approval or compensation. I acknowledge that all negatives, video footage and digital recordings of the Images are the sole and exclusive property of HPW. To the extent that I may have rights in the Images, **I hereby irrevocably transfer and assign** all right, title and interest in the Images worldwide, including all copyrights, to HPW.

In consideration for being permitted to use the Premises, I hereby agree that I, my heirs, my distributees, guardians, legal representatives and assignees **will not make a claim against, sue, attach the property of, or prosecute** HPW, its landlord, directors, officers, members, employees or assignees (the "Released Parties"), for any claim I now have or may hereafter have for death, injury or property damage, which may arise from or be in any way connected to my use of or presence upon the Premises, whether caused by my acts of omission or negligence or anyone else's. To the fullest extent permitted by law, **I shall defend, indemnify and hold harmless** the Released Parties for and against any and all claims, damages, losses, expenses and liabilities of every kind in any way arising out of or in connection with my activities under this agreement. This indemnity shall apply regardless of any active and/or passive negligent act or omission of the Released Parties. In addition, it is understood that any and all insurance that I have shall be primary.

I have read and understand the following language of Section 1542 of the California Civil Code which provides "A general release does not extend to claims which the Creditor does not know or suspect to exist in his favor at the time of executing the release which, if known by him, must have materially affected his settlement with the Debtor." Having reviewed this provision, I nevertheless voluntarily release the Released Parties from any and all liability for claims arising out of the matters set forth herein. I understand the word "claims" to include all actions, claims and grievances, whether actual or potential, known or unknown and specifically but nonexclusively, all claims arising out of the matters set forth herein. All claims are forever barred by this release without regard to whether those claims are based on the alleged breach of duty arising under contract or in tort or any other claims or cause of action. Furthermore, I acknowledge that I intend these consequences even as to claims for injury or damages that may exist as of the date of the release, but which I may not know exist, and which, if known, would materially affect my decision to execute this release, regardless of whether my lack of knowledge is the result of ignorance, oversight, error, negligence or any other cause.

**I have carefully read this release, waiver of liability, assumption of risk, indemnity agreement and promise not to sue and fully understand its contents. I acknowledge that this document is a contract and agree that if a lawsuit is filed against the Released Parties for any injury or damage in breach of this contract, I will pay all attorney's fees and costs incurred by the Released Parties in defending such an action.**

**I acknowledge that I have read and understand rules established by HPW for activities on the Premises. Furthermore, I agree to comply with all rules and policies, and I am aware that I am responsible for following all rule/policy updates as they become available on the HPW website. I understand that violation of the rule and/or policies of HPW may result in removal from the property and the revocation of my membership to The Horse Park.**
